

LOCKHEED MARTIN CORPORATION

CORPDOC 100

SOFTWARE LICENSING PROVISIONS

1. APPLICABILITY

These Software Licensing Provisions (hereinafter "Licensing Provisions") shall apply to Software acquired by Lockheed Martin Corporation (hereinafter "LICENSEE") from Seller (hereinafter "LICENSOR") when this document is incorporated into an Ordering Document issued by Licensee or executed by the parties.

2. DEFINITIONS

(a) "Divested Entity" means an affiliate, business unit, division, or organization that Licensee has sold, transferred or otherwise divested, in whole or in part, all or substantially all of its interest, to another entity.

(b) "Documentation" means the explanatory materials such as installation or operating instructions, Code may be generated.

3. GRANT OF LICENSE

(a) LICENSOR hereby grants to LICENSEE a fully paid up, worldwide, nonexclusive perpetual license to use and have used on its behalf, the Software subject to the terms and conditions of these Licensing Provisions.

(b) LICENSEE shall have the further right to

modify the Software and related information and/or combine same with, or merge

in place between LICENSEE and LICENSOR, but if no confidentiality agreement exists, LICENSOR shall take reasonable steps to protect and safeguard LICENSEE'S information and proprietary data from disclosure to third parties, and to use such information and proprietary data only in the performance of its obligations hereunder.

(e) If LICENSOR abandons, elects not to maintain or support the Software, LICENSOR will provide to LICENSEE one complete copy of the then current Documentation and Source Code corresponding to the Software.

6. PATENT, COPYRIGHT AND TRADE SECRET INFRINGEMENT

(a) LICENSOR shall defend, indemnify, and hold LICENSEE harmless from and against all claims, damages, costs, and expenses, including reasonable attorneys' fees, that may be asserted against or incurred by LICENSEE in connection with or arising out of the Software, including any claims, damages, costs, and expenses, including reasonable attorneys' fees, that may be asserted against or incurred by LICENSEE in connection with or arising out of the Software.

(b) If the notice of default alleges that LICENSEE has breached the clause entitled Use and Protection of Software, LICENSEE shall use commercially reasonable efforts to cure the default. If LICENSEE is unable to cure the default, and is requested by LICENSOR in writing to destroy or return the Software, LICENSEE shall destroy or return all remaining copies of the Software in LICENSEE's possession to LICENSOR.

(c) If any dispute arises between the parties, LICENSOR shall not disable LICENSEE's use of the Software.

9. USE AND PROTECTION OF SOFTWARE

(a) The Software shall be used exclusively by LICENSEE, its authorized employees, subcontractor personnel, and consultants under contract to LICENSEE, working solely for the benefit of LICENSEE.

(b) Notwithstanding the foregoing, LICENSEE may continue
