This document defines Lockheed Martin Rotary Mission Systems (LM RMS) supplier quality requirements. For Sikorsky purchase orders, reference Sikorsky Supplier Quality Requirement (SSQR-01) access via [Sikorsky Supplier Portal](#).

Terminology:

Buyer - Lockheed Martin Rotary Mission System (RMS)

Seller - Supplier identified on the face of the RMS Purchase Order

Subtier - Suppliers contracted by the seller to provide parts, materials, perform manufacturing operations, or perform special processes

LM Procurement Representative - the individual at LM RMS who administrates the Purchase Order as identified on the Purchase Order

The document applies to Sellers and their Subtiers who furnish product, material, processes, or services (manufacturer or maintenance provider) as a contract requirement regardless of supplier's industry, regulatory accreditation, or certification status. Sellers shall flow down applicable requirements to Subtiers.

Requirements identified in the Purchase Order (PO) take precedence over this document in the event of a conflict.

Any exceptions or changes to this document agreed to by the Buyer and Seller shall be incorporated on the facT/aO5(rat)11(

Seller may utilize the most current version of AS9102 forms 1-3 for their first article inspection report . Seller's own forms are permissible, provided they are equivalent to AS9102 forms. All FAI submissions shall contain all Required and Conditionally Required information (as applicable) as outlined in AS9102.

The FAI form shall be signed and dated by the person who prepared it.

Seller shall retain the First Article Inspection Report and supporting documentation in accordance with the terms and conditions of the purchase order . Supporting documentation includes certificates of co

Authorization to ship without Lockheed Martin source inspection does not waive Government Source Inspection (GSI) requirements when identified on the PO.

Instructions for requesting inspection:

Select the PO line in the "Ship to LMC" tab of the LM P2P portal and click inspection scheduling. Enter the quantity to be inspected and the date desired for the visit of the source representative. Source inspection
